## Los Angeles Region

**Linda S. Adams**  
*Acting Secretary for  
Environmental Protection*

320 W. 4th Street, Suite 200, Los Angeles, California 90013  
Phone (213) 576-6600 FAX (213) 576-6640 - Internet Address: <http://www.waterboards.ca.gov/losangeles>

**Edmund G. Brown Jr.**  
*Governor*

February 17, 2011

Mr. Mark Richardson  
Sanitary Superintendent  
Camarillo Sanitary District Water Reclamation Plant  
P.O. Box 248  
Camarillo, CA 93011-0248

Dear Mr. Richardson:

**RESPONSE TO REQUEST FOR TIME SCHEDULE ORDER (TSO) AND TRANSMITTAL OF  
TENTATIVE WASTE DISCHARGE REQUIREMENTS (WDRs) AND NATIONAL POLLUTANT  
DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – CAMARILLO SANITARY DISTRICT  
WATER RECLAMATION PLANT (NPDES NO. CA0053597, CI NO. 1278)**

We have evaluated your request for a TSO extension with interim limits for Total Dissolved Solids and Sulfate. However, the Regional Water Board cannot extend the TSO, because the conditions under section 13385(j)(3)(C)(ii)(II) of the California Water Code did not apply. Instead, we reviewed your Report of Waste Discharge, considered the supplemental information received on October 25, 2007, and the electronic monitoring reports submitted on January 31, 2011, and prepared tentative WDRs, pursuant to the Federal Clean Water Act, as amended, and the California Water Code for reissuance of a permit to discharge waste under NPDES.

Enclosed are copies of the following:

1. Tentative WDRS consisting of:
  - a. Board Order,
  - b. Fact sheet (Attachment F),
  - c. Standard Provisions (Attachment D),
  - d. Tentative Monitoring and Reporting Program (Attachment E),
  - e. Generic Toxicity Reduction Evaluation Workplan (Attachment G),
  - f. Biosolids/sludge Use and Disposal Requirements (Attachment I),
  - g. Pretreatment Requirements (Attachment J), and
  - h. TMDL Tasks (Attachment K).
2. Public Notification consisting of:
  - a. Instruction Sheet for Posting Public Notice;
  - b. Public Notice;
  - c. Statement of Public Notice; and,

**California Environmental Protection Agency**

*Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.*

February 17, 2011

In accordance with administrative procedures, this Board at a public hearing to be held on April 14, 2011, at 9:00 a.m., at Metropolitan Water District of Southern California Board Room, 700 North Alameda Street, Los Angeles, California, will consider the enclosed tentative requirements and comments submitted in writing regarding any and all portions thereof. The Board will hear any testimony pertinent to this discharge and the tentative requirements. It is expected that the Board will take action at the hearing; however, as testimony indicates, the Board, at its discretion, may order further investigation.

The agenda for the meeting will be posted on the Los Angeles Regional Water Board's website ([http://www.waterboards.ca.gov/losangeles/board\\_info/agenda/index.shtml](http://www.waterboards.ca.gov/losangeles/board_info/agenda/index.shtml)) at least 10 days prior to the meeting.

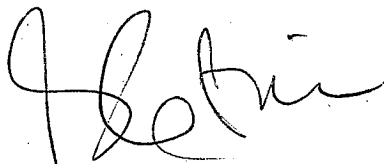

Written comments regarding this tentative Order must be received at the Regional Water Board office 12 p.m. (Noon) on March 21, 2011, in order to be evaluated by Board staff and included in the Board's agenda folder. Timely submittal of written comments is encouraged to ensure that all comments are accurately and fully included in the administrative record, that Board staff is able to provide timely review, and that Regional Water Board members have sufficient time to give full consideration to the comments and issues raised. Comments received after the comment deadline will not be responded to nor provided to the Board for their consideration.

With respect to the public notices, in accordance with the Federal Clean Water Act, as amended, and the California Code of Regulations, you are required to follow the enclosed instructions for publication or posting of the notice not later than March 14, 2011.

Please notify this Board by telephone when the notice has been published and submit the proof of publication or posting as required in the enclosed instructions. Proof of posting or publication of the notice must be received by the Executive Officer of this Regional Water Board no later than March 21, 2011.

If you have any questions please call me at (213) 576-6664, or Veronica Cuevas at (213) 576-6662.

Sincerely,

Brandi Outwin-Beals, P.E., Chief  
Municipal Permitting Unit
